I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I use Compounded medications
and it relieves my symptoms and
makes it possible for me to live a
normal life. The pharmacy in my state
does not have this medication and
I do not want to have to take
the same dosage every other women take —
